

### Air Rifle Marksmanship Instructor Course (ARMIC)

The aim of the training is to develop individual air rifle marksmanship and summer biathlon specialty skills while reinforcing and further developing the leadership and instructional techniques skills, preparing the cadets to support these two specialty activities at the sqn, during regionally directed activities and/or as a staff cadet at a CTC.

**Duration:** 6 weeks;

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Advanced Aviation Course (AAC)

The aim of the training is to develop a specialist with the skills and subject matter knowledge required to be an instructor and team leader for aviation activities within the Air cadet program.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Military Band - Intermediate Musician Course (MB - IMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 6 weeks;

**Music proficiency level:** Have achieved the music proficiency level basic; and

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Pipe Band - Intermediate Musician Course (PB - IMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 6 weeks;

**Music proficiency level:** Have achieved the music proficiency level 2; and

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Military Band – Advanced Musician Course (MB-AMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 6 weeks;

**Location:** Vernon, BC;

**Music proficiency level:** Have achieved the music proficiency level 2; and

**Sqn proficiency level:** Level 4 successfully completed by the end of the current training year.

### Pipe Band – Advanced Musician Course (PB-AMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 6 weeks;

**Music proficiency level:** Have achieved the music proficiency level 3; and

**Sqn proficiency level:** Level 4 successfully completed by the end of the current training year.

### Advanced Training - Staff Cadet

Cadets interested in applying for Staff Cadet positions must be 16 years of age by 1 January and cannot turn 19 before the last day of advanced training. Preference is given to cadets who have completed Level 4. Level 3 cadets may be considered but only after all Level 4 cadets have been selected.

Detailed information on the application process will be provided to interested cadets.

*What should I do  
this summer?*

**Your 2016 Guide to  
Air Cadet  
Regional Summer  
Training Courses**

## Level 1 Option

### General Training Course (GTC)

This course is an introduction to summer training. It gives the participants a little taste of the cadet summer training centre (CTC) life, survival, leadership, citizenship, drill, aviation, music, marksmanship, fitness and aerospace training.

**Duration:** 2 weeks;

**Sqn proficiency level:** Level 1 successfully completed by the end of the current training year.

### Minimum Level 2 Options

#### Basic Drill and Ceremonial Course (BDCC)

The aim of the training is to prepare cadets to perform the role of a peer leader while building upon the leadership and drill and ceremonial knowledge and skills learned through the sqn program.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

#### Basic Survival Course (BSC)

The aim of the training is to further develop in cadets basic survival skills and inspire them to pursue specialist training in this subject area. This will allow them to participate as a skilled junior cadet in survival training as part of the sqn program.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

#### Basic Fitness and Sports Course (BFSC)

The aim of the training is to prepare cadets to perform the duties of a Basic Fitness and Sports Assistant while continuing to develop personal fitness and healthy living skills.

**Duration:** 3 weeks;

**Location:** Cold Lake, AB;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

### Basic Aviation Course (BAC)

The aim of the training is to further develop in cadets the fundamentals of aviation and inspire them to pursue specialist training in this subject area.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

### Basic Aviation Technology and Aerospace Course (BATAC)

The aim of the training is to further develop in cadets the fundamentals of aerospace, airport operations and aircraft manufacturing and maintenance and inspire them to pursue specialist training in some or all of the subject areas.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

### Military Band - Basic Musician Course (MB - BMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

### Pipe Band - Basic Musician Course (PB - BMC)

The aim of the training is to develop the music proficiency of cadets and prepare them to support their sqn bands and related music activities.

**Duration:** 3 weeks;

**Sqn proficiency level:** Level 2 successfully completed by the end of the current training year.

## Minimum Level 3 Options

### Drill and Ceremonial Instructor Course (DCIC)

The aim of the training is to develop a specialist with the skills and subject matter knowledge required to be an instructor and team leader for drill and ceremonial activities

**Duration:** 6 weeks;

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Survival Instructor Course (SIC)

The aim of the training is to develop a specialist with the skills and subject matter knowledge required to be an instructor and team leader for aircrew survival activities within the Air cadet program.

**Duration:** 6 weeks;

**Location:** Cold Lake, AB;

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year.

### Fitness and Sports Instructor Course (FSIC)

The aim of the training is to develop a specialist with the skills and subject matter knowledge required to perform the role of a fitness and sports instructor and a team leader for fitness and sports activities conducted at the squadron, during regionally directed activities and/or as a staff cadet at a CTC.

**Duration:** 6 weeks;

**Sqn proficiency level:** Level 3 successfully completed by the end of the current training year
